Minutes of the March 2, 2020 City Council Meeting

COUNCIL BILL NO. 2020-253 - AN ORDINANCE amending Ordinance No. 2004-256, passed by the Council of the City of Joplin, Missouri, November 15, 2004, by removing from District R-1 and including in District C-3 property as described below and located 5703 & 5705 W. Wildwood Ranch Parkway of Joplin, Jasper County, Missouri. **Ordinance No. 2020-032**

REPORT FROM HEALTH DIRECTOR

Mayor Shaw asked Health Director Dan Pekarek to give an update on COVID-19.

Dan reminded citizens to stay calm if they have cold or flu-like symptoms. The risk to the general public is low. Data shows that children and young adults are likely to not show symptoms or have mild ones, much like one would have with a cold or mild flu.

At this time, transmission risks are primarily associated with the higher-risk populations including:

- People who are close contacts of someone known to have COVID-19, for example healthcare workers, or household members.
- People who have recently been in an area with ongoing spread of COVID-19
- Older adults and those with serious health conditions (heart disease, diabetes, lung disease and any condition that affects the immune system).

Currently, there is not a confirmed case of COVID-19 in Joplin. As the public has heard regarding cases in the United States, the situation is evolving and is subject to change.

If COVID-19 is contracted, most people will have mild effects from the virus, but it can cause severe illness and pneumonia in others. People diagnosed with the COVID-19 virus reported symptoms may appear 2-14 days after exposure. Symptoms include:

- Fever (100.4 or greater)
- Cough
- Shortness of breath or difficulty breathing

If you have symptoms, please stay home. Most people will experience symptoms of a mild cold or flu and should recover fine. If the symptoms progress where you have difficulties in breathing, then call your doctor to get instructions on what to do.

Citizens should not just go to their doctor's office, medical clinic or emergency room – please call them first.

People with mild respiratory symptoms without a fever who do not have a travel history to a COVID-19 area or a known exposure to a COVID-19 case are not recommended to get tested at this time. The testing recommendations could change in the future. It is important to remember there are other conditions that can cause similar symptoms such as the flu, the common cold or even allergies, so one should not rush to the conclusion that they have COVID-19.

If a person has been in direct contact with someone who's been confirmed with the COVID-19 virus and has developed symptoms, they should notify their healthcare provider. They should supply them with information about their symptoms and that they had contact with a confirmed case. Again, citizens should not go to their healthcare provider, a clinic, or an emergency room without contacting them first so they may take precautions to protect the patient and others.

There are no specific treatments for illnesses caused by human coronaviruses. Although most people will recover on their own, you can do some things to help relieve your symptoms, including:

- Take medications to relieve pain and fever
- Use a room humidifier or take a hot shower to help ease a sore throat and cough
- If you are mildly sick, drink plenty of fluids, stay home, and get plenty of rest

We will keep you informed of any status changes that occur in our area.

RESOLUTIONS

RESOLUTION NO. 2020-003

Mr. Stanley introduced Resolution No. 2020-003 - a resolution adding an additional charge to the

Capital Improvements Sales Tax Oversight Committee. Motion by Mr. Stanley, second by Mr. Cortez to approve Resolution No. 2020-003. Voting in favor were Council Members: Brown, Cortez, Lawson, Monteleone, Reid Adams, Shaw, Stanley and Stinnett, 8. Nays: 0. Absent: Colbert-Kean, 1. **Resolution No. 2020-003**

The Council Bill was declared adopted and entitled **Ordinance No. 2020 -040**

ORDINANCES – SECOND READING AND THIRD READING**UNFINISHED BUSINESS****NEW BUSINESS**

News from the Public Information Officer, Lynn Onstot

Due to the emerging rapidly evolving public health emergency of Coronavirus-19, today the presiding judge of the Circuit Court of Jasper County, issued an Administrative Order postponing Joplin's Municipal Court hearing for defendants not in custody, until at least March 27, 2020.

The Supreme Court of Missouri has extended the postponement until at least April 3, 2020, unless a future order of the Court is put into effect for a later date. Hearings will be rescheduled, and defendants will receive a summons in the mail for their new court date. Defendants in custody will have their hearings through videoconference. Questions regarding this should be directed to the Municipal Court by calling 627-2930.

To help citizens who may be facing uncertainty and financial hardship during this time, water shut offs for non-payment of sewer bills has been suspended. This suspension will remain in place until further notice.

And as this health crisis continues, things will be evolving and changing on a daily basis, if not more often. As a public communicator, I encourage citizens to watch for updates related to COVID-19 by visiting the City's website at joplinmo.org or visiting the Center for Disease Control and Prevention website, also known as the CDC.

We are working hard to keep information updated and available to you, however it can change quickly as each day we learn more about this virus. As a reminder - please check sources of information that you may hear or read during this time to ensure it's credible.

Comments from Council:

Dr. Reid Adams stated she had two citizen's concerns: 1) why the holiday banners are still up on Main St. from 15 St. to 20th St. (PW Director Hertzberg stated it was due to inclement weather); and 2) the bad condition of the sidewalk at 9th & Main Street. PW Director Hertzberg stated any sidewalk, curb or guttering in need of repair or replacement is the duty of the adjacent or abutting property owner to repair or correct. Director Hertzberg will contact the property owner and follow up with this issue.

Mr. Stanley asked if the city council should give thought to limiting our meeting size (due to the COVID-19 recommendation to limit gathering sizes to under 50 people) and rely on technology that allows citizens to watch meetings and call in if they had concerns for the council. Mayor Shaw stated he had a discussion with the assistant city attorney regarding this issue and further discussion with city staff is planned before a decision is made.

There being no further business, the meeting was adjourned at 6:59 p.m.

Respectfully,

Barbara J. Gollhofer, City Clerk
