News from the Public Information Officer, Lynn Onstot:

As Joplin residents begin warmer weather chores in their yards, the City's Stormwater Team reminds them to please mow the grass so that cut grass is distributed upon their yard and not out into the street. Mowed grass, leaves and other yard debris accumulates at their road's stormwater drains, causing a hazardous clog to the stormwater system for Joplin roads. City Crews appreciate everyone following these guidelines, as will your neighbors and others driving along your street during the next rainfall.

Joplin's American Legion Post 13 will conduct an interment ceremony on Memorial Day at Webb City's Mount Hope Cemetery. The remains of 2 World War I and 1 World War II veterans will be honored. The ceremony will be held at 10 a.m. on Monday, May 27 at the Veteran's Memorial of Mount Hope Cemetery in Webb City. All veterans and the public are invited. Those being laid to

rest are: Morris Marion Boyd. He was 87 when he passed away in 1975. He served as a Supply Sargent in the United States Army during World War I. Ralph Paul Lane. He passed away in 1977. He was 79 years old. Lane served in the United States Army during World War I.

Glenn Robert Lake passed away in 2007 at the age of 79. He served as a United States Marine during World War II. All three men were from Joplin. Please join the members of Post 13, area veterans, The Patriot Guard and the staff of Mount Hope Cemetery to honor these previous forgotten veterans. On Memorial Day, Monday, May 27, City offices will be closed that day. In addition, residential trash service will not occur on that day with households having their trash picked up one day later than their normal scheduled day. Monday's service will be picked up on Tuesday and the week concludes with Friday customers having trash service on Saturday, June 1.

We hope everyone has a nice and SAFE Memorial Day weekend. Thank you.

Comments from Council Members:

Mayor Shaw stated the Council was invited to attend the Joplin Outlaws opening game at Joe Becker Stadium on May 31. Mayor Shaw is invited to throw out the first pitch.

Mayor Shaw read a proclamation from Governor Parson that proclaims May 19-25, 2019 as Public Works Week in Missouri. Mayor Shaw thanked Joplin's PW Department employees who work faithfully to provide for the needs of our citizens.

Mr. Stanley stated he attended the Joplin High School graduation on Sunday. One of his sons graduated, but he also acknowledged another graduate, Grace Nielson, whose father was Tim Nielson, a JPD officer who died in the line of duty in 2004. Several JPD officers were in attendance in honor of Officer Nielson.

Mr. Stinnett stated some citizens had expressed concern to him regarding the delay in the reconstruction of streets and curbs in their neighborhoods. Some of the citizens talked to the engineering firm that is overseeing the reconstruction project and to some employees at City Hall. The citizens felt the underlying answer they were getting is that the PW Dept. is short staffed. Mr. Stinnett asked the Interim City Manager to get information on the PW Dept. to determine if and where there may be shortages. Mr. Stinnett would like to report back to the citizens to help them understand the situation.

Vote to go into closed session, which shall pertain to legal action, causes of action, or litigation including a public governmental body and any confidential or privileged communications between a governmental body or its representatives and its attorneys pursuant to state law, as set forth in Section 610.021 (1) RSMo, as amended, 2018.
